Campus de Maldonado - Punta del Este - Uruguay

2nd ITF Taekwon-Do World Games

Campus de Maldonado Stadium

Punta del Este - Uruguay

Dear Members of the International Taekwon-Do Federation,

We are pleased to invite you to participate in the **2nd ITF Taekwon-Do World Games**, which will take place from **November 26 to 29, 2026**, at the Campus de Maldonado Stadium in Punta del Este, Uruguay.

We are working with commitment and responsibility to deliver an international event that reflects the highest standards of our discipline, prioritizing organizational excellence, the well-being of competitors, the comfort of delegations, and, above all, the continued growth of ITF Taekwon-Do both regionally and worldwide.

There will be two registration deadlines: the first one will be on **October 9, 2026, at 1:00 PM**, and the final registration deadline will be on **November 6, 2026, at 1:00 PM**.

Our Organizing Committee remains fully available to assist in all matters that may facilitate your participation, including:

- *Personalized invitation letters*
- *Visa assistance*
- *Logistical and organizational information*
- *Guidance regarding accommodation and transportation, in addition to the sports packages*
- *Institutional support for delegations*

Furthermore, any information you may provide regarding your delegations, individual competitors, and teams will help us optimize communication and planning, allowing us to continue strengthening and professionalizing our events for the benefit of competitors, coaches, referees, and sports officials who are part of the ITF Taekwon-Do community.

Why were Uruguay and Punta del Este chosen as the host venue?

The selection of Punta del Este as the host city for the World Games is based not only on its international recognition as a tourist destination, but also on its outstanding conditions for hosting major sporting events.

Uruguay is known for being a safe, stable country with a strong track record in organizing international competitions. Its air connectivity, hotel infrastructure, and logistical capacity allow delegations from all over the world to be welcomed in a comfortable, accessible, and high-quality environment.

In particular, the sports infrastructure of the Campus de Maldonado offers modern facilities, spacious operational areas, and ideal conditions for the development of a world-class competition.

The region also combines several especially attractive features for athletes and sports teams:

- *Multiple natural environments ideal for outdoor training*
- *Excellent hotel and gastronomic infrastructure*
- *Close proximity between venues, accommodations, and services*
- *Favorable weather conditions during the competition period*
- *Safe and well-organized spaces for international delegations*
- *Recreational and cultural activities for competitors and accompanying guests*

Punta del Este provides a complete experience where sport, international fellowship, and human warmth come together in a unique tourist destination distinguished by its natural and urban characteristics. Its beaches, outstanding gastronomy, bars, recreational centers, and exceptional natural surroundings make this city one of the most important and attractive tourist destinations of the world.

A unique destination to compete and enjoy

Located where the Río de la Plata meets the Atlantic Ocean, Punta del Este offers unique natural landscapes and a wide variety of activities for everyone visiting the city.

Among its main attractions are:

- *Playa Mansa, known for its calm waters and unforgettable sunsets*
- *Playa Brava, famous for its vibrant atmosphere and the iconic “La Mano” monument*
- *Various international-level sports and recreational activities*
- *Walks along the harbor and beautiful natural surroundings*
- *An outstanding gastronomic scene and an active cultural life*
- *Fairs, shows, and entertainment options for young people and families*

Every year, thousands of visitors choose Punta del Este to relax, train, compete, and enjoy unforgettable experiences. On this occasion, the city will also become the meeting point for the global ITF Taekwon-Do community, offering the ideal environment to share sport, friendship, and international culture.
